

# Sponsorship

If you have not done so already, please review the educational concerts program outlined on Learning CTR Online:

<https://www.learningctronline.com/services/concerts>

Our artists are experienced professionals and therefore, we would like to raise a minimum of \$10,000 per program to cover the artist's fees, expenses, accommodations, and venue costs. This amount makes it so that we can go to schools who do not have funds to pay.

Once funds are secured, you will be alerted.

Please consider participating in this worthwhile venture as a donor / patron / sponsor. All sponsors will be included in the program notes for the educational concert you specify.
